

Child Welfare Services - are provided to families which have requested assistance with family struggles such as truancy, parent/child conflict, child behavior concerns etc. Kandiyohi County Family Services Intake Unit is available for consultation in helping families assess their needs. We may offer available resource and referral information and/or when appropriate, assist with an application for child welfare services.

Resources

- The [Minnesota Extension Service](#) also offers [Parent Education Resources](#) on a large variety of topics.
