

1.

Keep the medication in its original container.

2.

Leave the name of the drug and other content information clearly visible. Remove the name and other identifying information by scratching the person's name out, covering with a permanent marker, or by cutting that part of the label off.

3.

Drop medication into the disposal box opening.

Sheriff Dispatch**

Take It To The Box

The **Take it to the Box** program promotes the safe disposal of unneeded and/or expired prescriptions and over-the-counter medications. This includes both **human** and **animal** medications along with **illegal drugs**.

Needles are not accepted.

Preventing Medication Misuse and Abuse

A growing concern in our community is the abuse, by youth and others, of medications not prescribed to them. Safe disposal makes medicines less available.

Proper disposal of medication helps protect our soil and water. Unsafe

disposal of medications can contribute to environmental damage.

Take unneeded prescriptions and over-the-counter medication to the Prescription/OTC Drop Box in the main lobby of the Kandiyohi County Law Enforcement Center at 2201 23rd Street NE, Willmar, MN 56201.
